# Hexalingotti

La collezione Hexalingotti di Tonalite presenta una forma esagonale con linee pulite, essenziali. La superficie piatta e opaca conferisce alla piastrella un aspetto contemporaneo e minimalista. La gamma colori oltre ai classici bianco, grigio e avorio propone tonalità contemporanee come il Denim, l'Azzurro, l'Oltremare e il Verdino.

The Hexalingotti collection by Tonalite has a hexagonal shape with clean, essential lines. The flat and matte surface gives the tile a contemporary and minimalist look. The color range, in addition to the classic white, gray and ivory, offers contemporary shades such as Denim, Azzurro, Oltremare and Verdino.
